PATRIOTIC DAY

Was Observed Yesterday Afternoon
in Wheeling Schools.

COMMITTEES FROM THE G. A. R.

Ladies of the G. A. R. and Woman's Relief Corps Visited the Several Buildings—The Pupils Participated in Appropriate Programmes, and the Veterans in Many Instances Made Speeches, Voicing Patriotism.

Patriotic Day was observed in the Wheeling city schools yesterday afternoon, committees from the G. A. R., Ladies of the G. A. R. and Woman's Relief Corps visiting the several buildings, where the pupils participated in appropriate exercises and speeches were made by many of the visiting veterans.

Madison School.

An interesting programme was rendered in good style by Madison pupils of the sixth and seventh years, in the grammar room, on Friday afternoon. A number of visitors encouraged the performers by their presence, among them the committees of the G. A. R. from Holiday Post No. 12. Mr. H. J. Felber, on behalf of the committee, thanked the principal, teachers and scholars for their efforts put forth on the occasion, and urged the latter to do their part when the old defenders shall have passed away, by following the flag to keep this "land of the free, and the home of the brave." The programme was as follows:

Chorus..... Star Spangled Banner
Composition..... Hazel Bulard
Song.....
(a) "The Noon."
(b) "Nursery Rhymes."
Piano Solo..... Ethelyn McGranahan
Vocal Solo..... Irene Fisher
Selections on Decoration Day.....
National Air..... Mandolin Quartette
Recitation—"No Flowers on My Papa's Grave"..... Virginia Barton
Chorus..... Seventh Year Pupils
Recitation—"The Bivouac of the Dead"..... Hazel Oimstead
Vocal Solo—"Do Not Forget Me"..... Edith Edmundson
Recitation—"Home Sweet Home"..... Hazel Oimstead
Instrumental Solo—"The Old Corporal"..... Howard Merkel
Recitation—"Decoration Day"..... Bertha Chorus..... "America"

Ritchie School.

Patriotic day was observed at Ritchie school. In the morning at the annex building, rooms 7 and 8, 5 and 6, 3 and 4, joined their forces, each two rooms giving a joint programme, while rooms 1 and 2 gave separate performances, thus being too many little folks. In these rooms to crowd into one. The performances consisted of patriotic songs and speeches, with instrumental music. All the pupils entered into the spirit of the occasion and made the visitors feel that they were imbibing the same patriotism that caused the boys of '65 to respond to their country's call.

In the afternoon similar exercises were held throughout the main building. An elaborate programme was given by all the pupils of the third floor meeting together in the grammar room. The exercises throughout were good, and some were especially so, to judge from the applause of the spectators. Representatives from the Grand Army and Woman's Relief Corps were at both buildings. Rev. J. D. Smith and Squire Allen each gave pleasant talks, which were greatly enjoyed by the pupils and teachers. The comrades expressed themselves as highly pleased with all they saw. This is the first time this school has been visited by so many on

Patriotic Day, and all feel highly honored. Rev. Hartman of the Second English Lutheran church, was present at the main building and gave a very interesting talk on patriotism and how to teach it. He described the manner in which Memorial Day is celebrated at Gettysburg, especially dwelling on the fact that the school children took an active part in the exercises. This was pleasing to the pupils, as they were glad to find out that other school children did as they have been in the habit of doing for years past.

The High School.

The exercises at the high school were of absorbing interest. The programme consisted of the singing of patriotic songs and addresses. Superintendent of Schools W. H. Anderson presided, and opened the service with an effective speech, breathing the spirit of the occasion. County Clerk Richard Robertson, an old soldier, not exactly in age but experience, closed the exercises with an address, drawing lessons from the war and inciting the youth to a cultivation of true patriotism, and a love of country and "Old Glory" wherever it flies.

Lincoln School.

The programme at Lincoln school was especially interesting and the participants deserve much credit for having acquitted themselves so well. The hall was tastefully decorated with the Stars and Stripes and a profusion of bunting and flowers was everywhere in evidence. Following is the programme:

Chorus..... Star Spangled Banner
Recitation—"The Geneva Rose".....
Paper-Decoration Day.....
Motion Song..... Ride in a Railroad Car
Recitation..... Gertrude Pendleton
Recitation—"Patriotism"..... Katie Bumby
Bird Song.....
By twenty-five girls and boys
Recitation—"Our Flag is There"..... Archie Ross
Recitation—"The Old Corporal"..... Ida Lee
Recitation..... Marshall Clemens
Reading—"The Blue and the Gray".....
Alma Jones
Paper—"Our Flag"..... Earl Baldwin
Chorus.....
Symposium..... Patriotic Miscellany
Quite a number of visitors were present, among whom were ladies from the Woman's Relief Corps and the Ladies of the G. A. R., the special committee from the G. A. R. posts, and Sheriff Richards.

Mr. Caleb Styler made a very pleasing address. The address of Sheriff Richards was a rare treat. Congressman Dwyer was at his best and spoke as only Dwyer can. His address was able, patriotic and well received by all. The exercises were a credit to the school and speaks well for Principal Jones and his corps of teachers.

CAUSES CONSTERNATION

Does the Ruling of the Supreme Court on Jurisdiction of Justices.

The recent decision of Judge Hervey, which was based on a ruling of the state supreme court, has caused consternation among Ohio county justices of the peace who do business out of the districts they represent. The decision affects civil and not criminal cases. At present the justices are bunched around the courthouse, or pretty close by, and the new order of things will force Squires Caldwell and Peterman to set up their tribunals on the Island; Squire Rogers to cross the creek to Centre district, and Squires Phillips and Srolowitz to seek their happy homes in Washington district. Squires Fitzpatrick and Dunning, the chosen ones of Union, will remain undisturbed.

The change will work an inconvenience to lawyers and the news gatherers and it is hence a source of some little regret. Squire Rogers said last night that he was thinking of resigning. "There is really no money in the business," said he, "except that it rings other business, such as notary work, and my pension business is considerable. But there is not the fees in the justice's office exclusively that many people suppose." And the squire ought

to know, for he tries as many, if not more cases than any other one in the county.

GETTING READY.

Feeding Ahead of Hot Weather.

"Not quite so much meat in spring-time; use the cereals, as they heat the blood less." Seasonable advice from an old practitioner.

If one uses some care as to food, the coming hot weather will be passed as comfortably as any season. In fact, a person possessed of a perfectly balanced set of nerves can be happy and comfortable under most any conditions.

The trust food for building up the nervous system to a perfect condition is Grape-Nuts. The makers are skilled in their art, and knowing that nature fills the brain and nerve centers with a soft gray matter which is used up more or less each day and must be replaced; (or nervous prostration sets in), and also knowing that the gray matter is made by the combination of albumen and phosphate of potash, they select the parts of the field grains that contain the needed materials, manufacture them into a delicious food, ready cooked, predigested, and of a fascinating flavor.

The use of Grape-Nuts quickly proves that it really does rebuild strength on the nervous system in a most certain manner. It is sold by all grocers and is in daily use in hundreds of thousands of the best families in America.

FRUIT TREES, Grape Vines, Raspberry, Blackberry and Strawberry Plants. Half Agents' prices. Catalogue free. Reid's Nurseries, Tel. 58, Bridgeport, Ohio.

THE RAILROADS.

The Wheeling & Lake Erie railroad has had three new trains built at the Barney & Smith car works in Dayton, three cars each, at a cost of \$105,000, made up of combination coach, ladies' coach and buffet car. One of these trains will be on exhibition here next Tuesday from 7 to 10 p. m., and the public is invited to inspect it. Light refreshments will be served.

The Ohio River Report.

The Ohio River Railroad Company's annual statement shows 1899 to have been a year of great prosperity. In part the report says: "The large amount of money expended in the past few years is now making good returns in the shape of more satisfactory net earnings."

"There has been a great improvement in the matter of rates, an absolute maintenance of which has been ensured, and the present condition and future prospects for business are now much more encouraging than last year."

"During the year contracts were entered into with the Pennsylvania lines, the Norfolk & Western railway and the Cincinnati, Portsmouth & Virginia railroad for through service between Pittsburgh and Cincinnati. This service was established and went into effect on November 15, 1899, operating two solid trains composed of this company's equipment between the above-named points daily; the success of which has already been demonstrated, and the results derived from that source justify the service."

"Our relations with connecting railroads were never more cordial or harmonious."

"Under the plan heretofore authorized \$500 of bond discount has been written off to profit and loss account."

The following figures are taken from the statement:
